RE: Debt Validation Request — Account #XXXX | Alleged Amount: \$0.00 | Original Creditor: [Original Creditor — fill in]

Pursuant to my rights under the **Fair Debt Collection Practices Act (FDCPA), 15 U.S.C. § 1692g(b) (Section 809(b))**, I am formally requesting complete validation of the above-referenced alleged debt before any further collection activity is taken. **This is not a refusal to pay — this is a demand for verification.**

WHAT YOU MUST PROVIDE

- Complete account history showing how the alleged balance was calculated
- A copy of the original signed contract or agreement with the original creditor
- Proof your company is licensed to collect debts in this state (license number)
- Chain of title — all assignment agreements showing ownership of this debt
- The name and address of the original creditor
- The Date of First Delinquency with the original creditor
- A copy of the last billing statement from the original creditor

CEASE COLLECTION ACTIVITY

Until validation is provided: **DO NOT** contact me by any means other than to provide validation. **DO NOT** report, update, or continue reporting this account to any credit bureau. **DO NOT** sell, transfer, or assign this debt. Continued collection activity before validation is a violation of **FDCPA § 809(b)** and subjects your agency to statutory damages up to **\$1,000 per violation** plus attorney fees under **FDCPA § 813**.

I declare under penalty of perjury that the foregoing is true and correct.
